KAB DENTAL RECEIVES EXPORT ACHIEVEMENT CERTIFICATE

Nashville, TN - October 26, 2009 – KAB Dental was recently awarded the U.S. Commercial Services Export Achievement Certificate by the U.S. Department of Commerce. This certificate recognizes small and medium-sized enterprises that have successfully entered into the international marketplace for the first time or that have successfully entered a new market.

In a letter sent to KAB Dental President Kirit Bhatt, Michigan Congressman Sander Levin commented, “Your effort to expand into new markets around the world helps us to maintain and grow jobs here in Michigan.” Says Kirit Bhatt, “The recent worldwide financial shakedown has made us focus on the fundamentals of our business. Our sales have remained strong. Now that the national economy is turning around, we are well on our way to accomplishing the goals we set in 2007 when we relocated to our new 5,000 sq.ft. distribution facility.
